20161026 NB Phase III Daily Sampling Schedule.pdf

Please find an updated schedule. I do not plan on sending routine updates, but since this new one reflects a significant change from the first one (box core vs. vibracore) and the one-week "restart" I wanted to get this out for you to use.

Thanks
Cliff

Subject: NB Phase III SI Working Schedule

As we discussed this morning, please find attached the working schedule for sample collection. This will, of course, likely change as the program gets under way.

Let me know if you have any questions.

Thanks
